# Selected Events

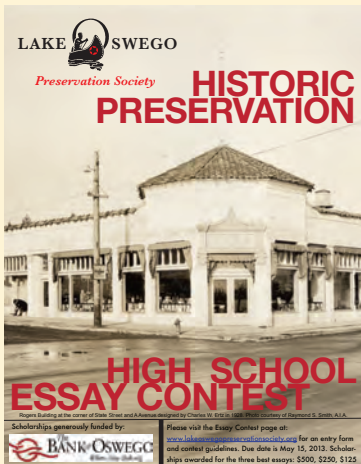

The Society's signature event is the Classic Houses and History Boat Tour on Oswego Lake featuring over 50 historic homes and sites. It is held annually on the Saturday after Labor Day.

Walking tours of historic Lake Oswego neighborhoods and commercial districts are available. Please contact us.

The annual high school historic preservation essay contest challenges students to write about why preserving buildings matters to the community.

Speakers are available to address a variety of local history topics. If your organization or group is interested, please contact us.
